Statement Begins / Début de la déclaration

Time/Heure: [redacted] hrs

I Stopped along the [redacted] road with a vehicle that was proceeding down the road. Stopped and searched the [redacted] individuals in the vehicle and got a very weird feel from one of them. Had the keys, and he confirmed that the individual was in all probability. Every [illegible] she is his accent and his false story of being from Kandahar city. So I had him lie down on his stomach. Then conducted a detailed search. I had him empty his pockets prior to this, cuffed on his hands then took down his particulars. [redacted] [redacted] the individual was to handing his case [redacted]

The CMP Section from [redacted] then arrived, asked the suspect a couple of questions and conversed with our assessment that the individual was acting not in good faith handed the PUC over to them so that he would be transported to the [redacted] where hopefully CID could get him. That was the last I saw him. [redacted]
