Subject: KBGR0271 -- Afghan detainees: Options/ ideas for building capacity

SECRET

Pls forward to other addressees as appropriate

Ref: KBGR0160 of 4 December, 2006 on detainees

1. As requested by FTAG, please find below very preliminary ideas for possible ways to build capacity in the areas of investigations, detainees, corrections, and related justice- and security-sector reform activities. Please note that this should be considered a menu of options rather than a set of recommendations. It is broken into six sections:

3. The menu of options follows:
